Dear Competitor,

WRDA Sports & Saloon Cars Pembrey 7th May 1994

You should all have entry forms for this event, but if not please let me know, or contact Robin Knight (0379 984268). Also you will find notice of the BARC Sprint on May 30th which looks like being an excellent meeting.

DARRIAN CARS

You may be aware that Peter Dark raced with us on 27th March as a non championship, non points scoring entry. To give you the background, at the meeting at Bridgend on 13/1/94 it was decided that we might have to reconsider the position on the Darrians if circumstances dictated. Those circumstances arose on March 27th and I invited Peter to enter to make up a reasonable grid. On the same basis I have invited him and other Darrian drivers to enter on May 7th, for the time being in Class D i.e D for Darrian.

We will have another meeting on the May 7th to re examine the position and the other Key dates of 2/3 July and 24/25 Sept.

In the meantime I enclose Subscriptions forms for those who have not already paid their subs. We hope to be publishing our new newsletter shortly, more details later.

I look forward to seeing you on May 7th.

Yours faithfully

Robert Allender
