The NEWEYS SUPERSPORTS championship has been expanded for 1996 and the range of vehicles eligible now includes two seater sports-racing cars and cars based on two seater Kit cars and Sportscars. One-off designs are permitted, but the use of single seater chassis is not allowed. The range of tuning is virtually unlimited except that forced induction is not permitted. Cars run in three classes:- up to 2400 cc multivalve; up to 2100 cc two valve per cylinder; over 2100 cc two valve per cylinder. The championship again receives support from NEWEYS JEWELLERY CENTRE in Birmingham.
