THE TOM PRYCE MEMORIAL TROPHY

The **Western Mail** would like to extend a warm welcome to everyone who has joined us at Pembrey to enjoy **The Western Mail Raceday**. The highlight of this years event will be **The Western Mail Tom Pryce Memorial Trophy**. The trophies this year have been kindly donated by **Welsh Royal Crystal**.

This is the second year that this particular award has been given to the winner of the V8 races and has been launched in memory of Tom Pryce, the only Welsh Formula One racing driver, who tragically lost his life during the South African Grand Prix in 1977.

As the only approved racing circuit in Wales, Pembrey holds a special place in the hearts of motor sports fans. Its ideal central location serving east and west Wales has made it very popular. It is also a regular venue for secret testing by top teams who value the circuit for its concentration of challenging corners, which serve to thrill spectators on race days.

The **Western Mail** has always been a keen supporter of motor sport, reporting on events and individual achievements where competitors seek to uphold Welsh honours in the tradition of Tom Pryce.

The **Western Mail** therefore would like to wish you all a very enjoyable day and remind you that a full round up of today's results will appear in **The Western Mail** sports supplement tomorrow.

Cole and Powell will battle it out again

THE Welsh sports and saloon car championship roars into action this weekend, featuring drivers from across Great Britain and Ireland.

Two championship races will be part of the action at Pembrey, which also hosts the Eurocar Series and British Truck Grand Prix today and tomorrow.

Defending Welsh champion Graham Cole, from Caerphilly, and last year's runner-up, Alvin Powell of Treorchy, compete again, and among the new faces is the highly-rated Brian Chatfield of Devizes.

A new sports car outfit, the LWR Racing Team owned by company director Lindsay Ward, has been formed in association with the Julian Hodge Bank of Cardiff.

Based at Monmouth, the new team will be running a Lancia 16v Turbo in the Castle Combe saloon car championships starting on Easter Monday.

With a good entry and plenty of close racing all down the field it had been a highly promising start to the V6 season. That is now set to continue here at Pembrey this weekend and the V6
