Good Morning Rick,

Robert Allender has copied me into the correspondence received from the MSA regarding the above and it is welcome news for the club.

I would just like to extend my sincere thanks to you for the fair way in which you observed our event. Your report appeared to accurately identify all the small niggling details which need addressing prior to the next race meeting.

I would also like to extend my personal thanks to you for the pleasant and friendly manner in which you conducted your day with us, however, knowing you, I did not expect this to be any different. It was a pleasure to have your company and share your sense of humour again!

I hope we meet again soon.

Kindest regards to you and Chris. Ken
