

PAULA MILNE
Driving Ambition

Donna and Jen, two bored London housewives, have a driving ambition. They decide to enter Donna's old Mini for a motor race at Brands Hatch. It's just a silly dream they pluck out of the air, but dreams are costly, as they discover. Their driving ambition threatens to drive their families quite mad . . . They get themselves a sponsor, who threatens to drive them mad . . .

It's a tough world they're entering, and they have to toughen up to compete in it – and survive. Funny, tender, exciting. This is the explosive story of an extraordinary dream, and the ordinary people who strive to make it happen.
