

Welsh duo clash at Silverstone

WELSH racing drivers Tim Davies and Phil Kempe get the chance to test their skills on the Silverstone Grand Prix circuit tomorrow.

The first big two-day meeting of the year includes the third round of the Marlboro British Formula 3 Championship.

This is the first supporting race for the new European Formula One Championship for non-turbo cars, which has the title of Formula 3000.

Davies, from Lampeter, narrowly missed his first F3 win at Thruxton on March 10, and although Kempe from Rhiwderin, has yet to score he has been showing improving form in practice.

The man everyone will be looking to beat is Yorkshireman Russel Spence, the current leader of the series.

Spence has had an almost parallel career with Davies, having driven for Penistone and Swallow in the past. He

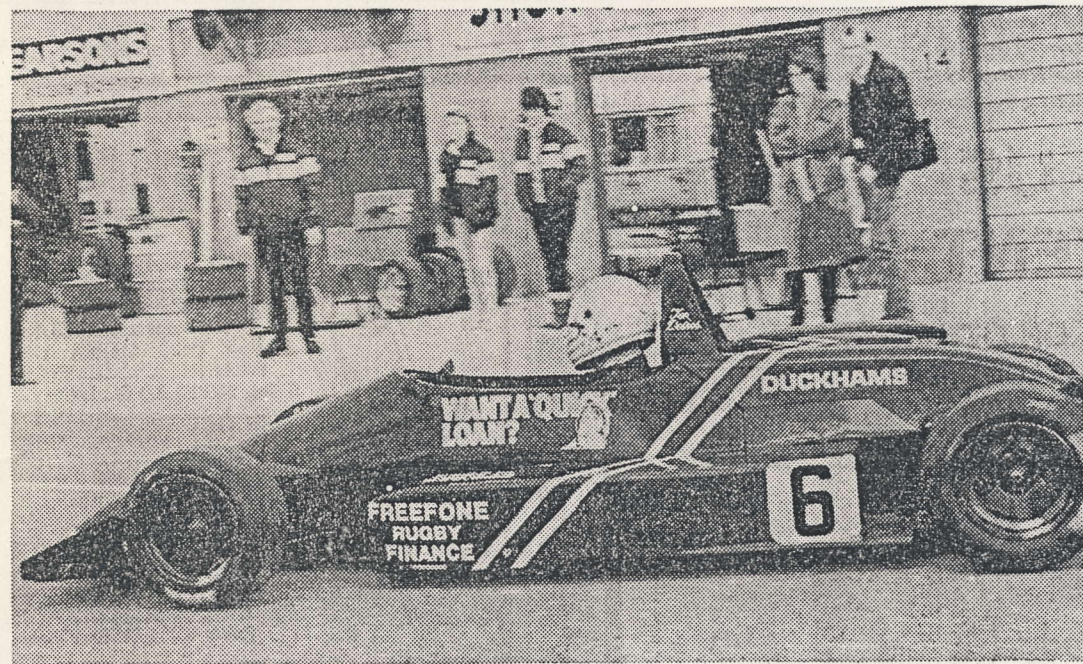

won the Townsend Thoresen Euro title in the Swallow Reynard at the same time as Davies won the British title with Penistone.

Happy-go-lucky Spence has a reputation for being erratic but maintains this year that he is a changed man.

The results from the first two rounds have been Wallace, Spence and Gugelmin, first, second

and third at Silverstone, and then Spence, Davies and Gugelmin at Thruxton.

British Formula 3 Championship (after two rounds): 1, R Spence (GB), Warmstyle Reynard, 15pts; 2, M Gugelmin (Brazil), Perdigao Ralt RT30, 10; 3, A Wallace (GB), Swallow Reynard, 9; 4, T Davies (Wales), Swallow Reynard, 7; 5, D Scott (GB), Anglo American Ralt RT3, 5; 6, H Huysman (Belgium), Marlboro Ralt RT30, 4; 7, G Evans (GB), Ralt RT30 VW, 2.

Imran stars, but India reach final

INDIA set off towards a fourth consecutive triumph in international limited overs cricket tournaments with a stunning 38-run win over Pakistan yesterday.

Their success came in the first round of a four-nation 50-over competition in Sharjah, United Arab Emirates, when they were skittled for 125 in 42.4 overs, but hit back by

routing Pakistan for 87 in 32.5 overs.

India, who won the official World Cup in 1983, the Asia Cup in 1984 and the World Championship of Cricket in Australia recently, are through to the final against England or Australia, who meet tomorrow. The final is on March 29.

Yet India scarcely made an encouraging start as they were destroyed by Pakistan's all-rounder Imran Khan, who captured

6-14 and was named Man of the Match.

Imran, who was prevented by a shin injury from bowling in international cricket for two years before the World Championship, started by sending back five of the top six batsmen as India slumped to 34-5.

Mohammad Azharuddin, India's recent batting discovery, and captain Kapil Dev salvaged some pride with a sixth-wicket stand of 46 before off-spinner Tauseef Ahmed bowled Kapil for 30.

Llangennech's trophy hunt

CENTENARY-celebrating Llangennech travel to Waunarlwydd this afternoon looking for the victory which will earn for them their first West Wales Rugby Union Trophy.

They have been the pace-setters in Section-B of the Ushers Championship since the first week in October.

Waunarlwydd will not present them with an easy task.

Although they lost their

championships this afternoon are Section D leaders Cwmavon, who need just a draw at Loughor.

They are not too worried if they fail to avenge their home defeat at the hands of Loughor last October, because their vastly superior try total could be enough to qualify Cwmavon for a place in the championship play offs.

In Section A leaders Tumble visit Morriston, who look certain to be relegated.

the third time in six years, and Morriston for the second time in four years.

The big question is who will join them — Carmarthen, Pontarddulais or New Dock?

Carmarthen are at Pontarddulais today and then play Seven Sisters at home and Morriston away.

After today Pontarddulais have to visit Morriston and New Dock, while New Dock, in addition to their home match with Pontarddulais have yet to travel to Seven Sisters.
